

*"It's not just the message that counts, it's the expression of the message that makes the difference."*

Ken Fritz

## We truly care about your employees, at all levels.

*The Colorado Crimson Group is not your standard "training company." ALL of our trainers are in the top 10% of professional trainers in the U.S. and everyone who attends our seminar is invited to call, email, or text us anytime. You deal only with the experts – there is no "account executive" or middleman. We guarantee personal follow up and we guarantee satisfaction with the seminar or you don't pay us. And who else has a presentation matching Fighter Pilots to Good Leaders?*

### Seminars currently available:
